# *What is the Skate With Us Weekend*

The Miami Inline Marathon invites skaters of all skill levels—from elite athletes to recreational enthusiasts, to take part in this weekend event. With a strong focus on promoting health, fitness, and the pure joy of running and inline skating, the marathon has quickly become a must-attend event in the Miami community. In 2025, we expect over 2,000 participants, spectators, and volunteers to gather and witness the incredible skill and determination of skaters and runners as they conquer the challenging course. Don't miss the excitement—join us in the fun!

The Miami Inline Marathon is an annual event held in the heart of Miami, Florida, bringing together six incredible races for one unforgettable weekend. Now entering its second year, anticipation is already building. Early registration has been strong, and we're excited to continue growing this event within the Miami community. We would be thrilled to have your support in helping us expand and elevate this amazing race experience.

## **Our Hotel Partner**

### ***Provident Doral At the Blue***

Provident Doral at The Blue is our official host hotel, offering a relaxed yet upscale resort experience right on Doral's famous Blue Monster golf course. Just minutes from Miami International Airport, the property features spacious one- to three-bedroom suites with full kitchens, spa baths, and private balconies, making it a perfect retreat between event activities. With nearly 3,500 square feet of flexible event space, an inviting pool deck, and attentive on-site staff, Provident Doral at The Blue provides both comfort and convenience for our guests throughout the event.

(Race day age will be used)

# Example Course

# 2025 Expo

## Saturday 12-4pm

- One of the Largest Inline Skating Expo's in the Country
- 1 Days - 1000+ Visitors

The Miami Inline Marathon's Skate and Health Expo, happening on October 11th, 2025, in Miami, Florida, is one of the largest skate-focused events in North America, and it's a great opportunity for vendors like you to get involved. This three-day event brings in over 2,000 visitors from across the world and features vendors from across the country showcasing everything from skating gear and fitness products to health services and nutrition.

If your business is focused on health, fitness, running, or skating, this is the perfect event to connect with a passionate audience who's ready to engage with your products. Booths start at just \$250, making it affordable for businesses of any size to join. Whether you're looking to introduce your brand to thousands of people or simply want to meet other industry professionals, the Expo offers a fun, community-focused atmosphere to make real connections.

With workshops, demos, and a wide variety of products on display, this event is all about celebrating active lifestyles. If you're ready to showcase your business to an enthusiastic crowd, we'd love to have you be part of the Skate and Health Expo in 2025!

## *A Final Word*

*The Miami Inline Marathon is striving to solidify its position to become one of the world's largest inline marathons, building on the success of our first event. With the aim of attracting even more participants from diverse backgrounds and regions, we are ambitiously expanding our race to include a 5k to go along with our 10k run to engage a broader audience while continuing to improve and grow our inline skating offerings. Central to this growth strategy is the cultivation of partnerships with businesses and organizations, recognizing their vital role in driving the success of the event and contributing to the enhancement of the Miami community. By fostering these collaborations, MIM envisions not only a globally renowned inline marathon but also a positive force for community development and well-being in Miami.*

*In closing, we extend our sincere gratitude to all our partners, participants, and supporters who have played a crucial role in the Miami Inline Marathon's journey. Your commitment to our organization means the world to us and we hope to make it an event your organization can be proud to be a partner in.*
